Well were gonna make it. We both kind of screwed up at the begining, but we are gonna make it. Friday 13th!! We sure have been through alot! From the trailer to your mike. Hey do you remember "Lets get naked and jump in a pile?" and Larry did?! That was hilarious. Or do you recall all the plans we made to get even with Mike and Jerry? Or the time we nailed Laurie's car. Do you remember the time we had the great mud fight out at the ranch? That was hilarious, especially trying to sneak in the house afterwards so your mom wouldn't see what a mess we were trying to clean all the mud out of the bath tub and all the dirty towels? That was alot of fun. How about the time the car went out of control over by Mike's house? Or the time we broke down on the old airport road? I guess I'm next! I can recall clearly the three times I got snowed in your house for three days! We didn't even argue. What a trip! Or the times we went hiking through all the snow in the woods? We sure have been through an awful lot.

When Autumn flings her banners wide upon
October air,
all nature seems to thank its God for making
life so fair

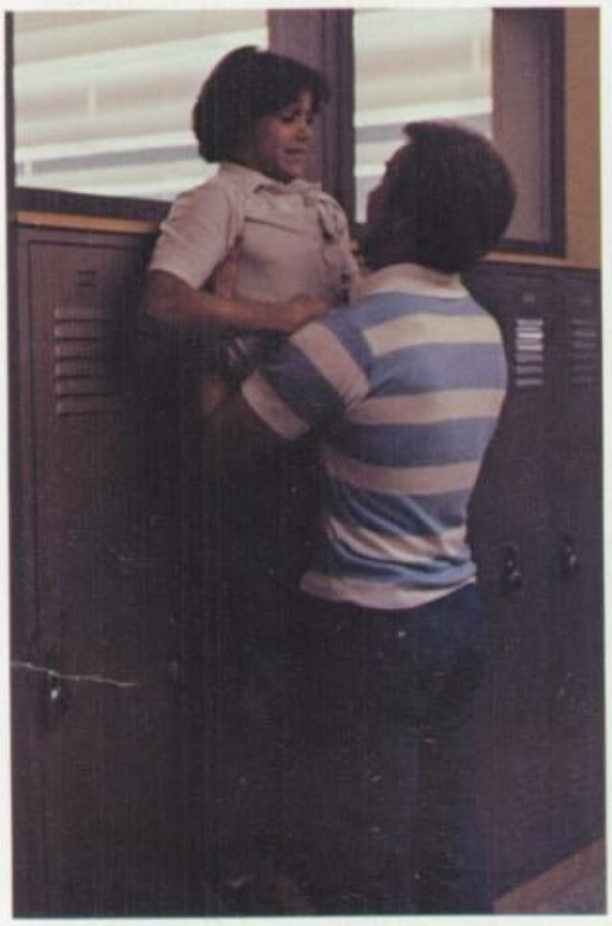
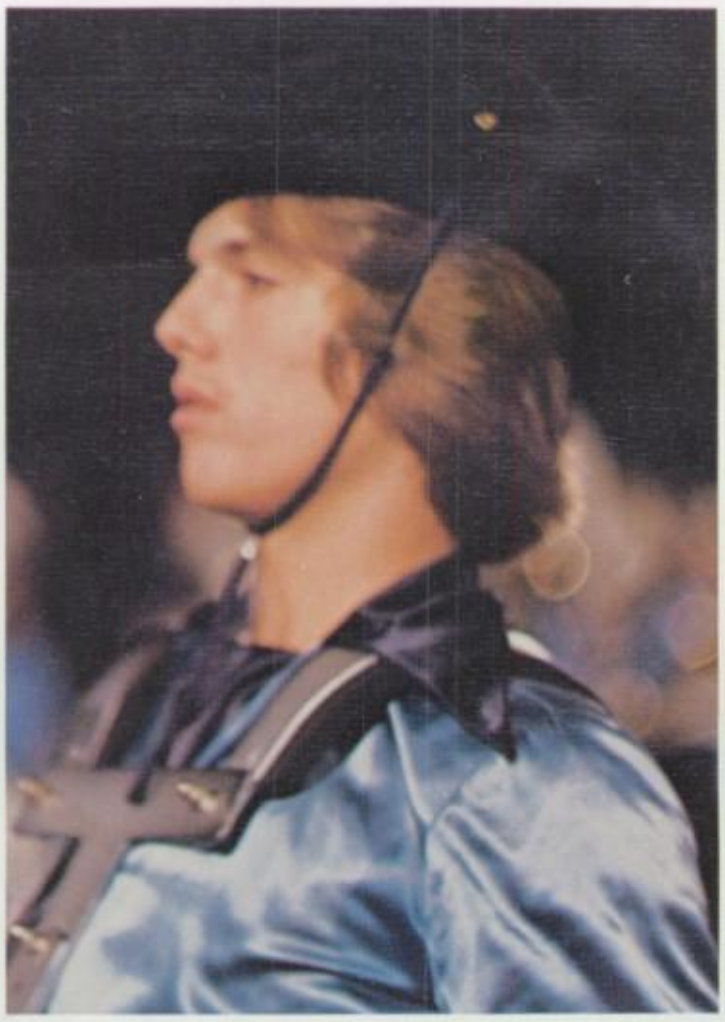
An Aura of Festivities

A typical day at Indian River begins at 8:50 A.M. At this time the minds of many tune-in to their work until 3:08 P.M. Our relatively quiet 50 minute class periods, soothing 15 minute homeroom periods, and noisey 25 minute lunch bells are full of eager and willing students. With a full day, students engage in extra-curricular activities before and after school.

In addition to preparation courses for college bound students, Indian River offers courses in marketing. For example, Distributive Education and Industrial Arts are courses in marketing. Business courses are also included in marketing for those who wish to pursue a business career in typing, general business, and accounting.

For those interested in cultural studies, drama, hummanities and communications are offered.





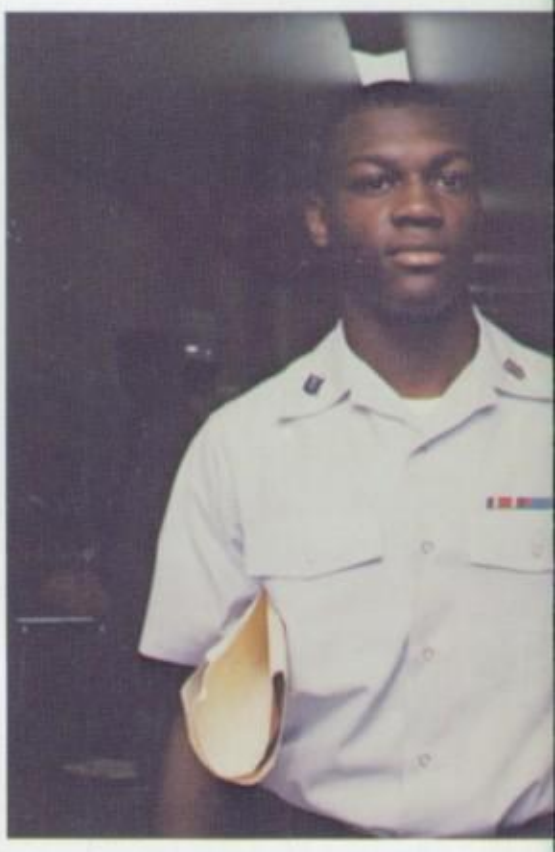
Sports, Clubs, and Courses

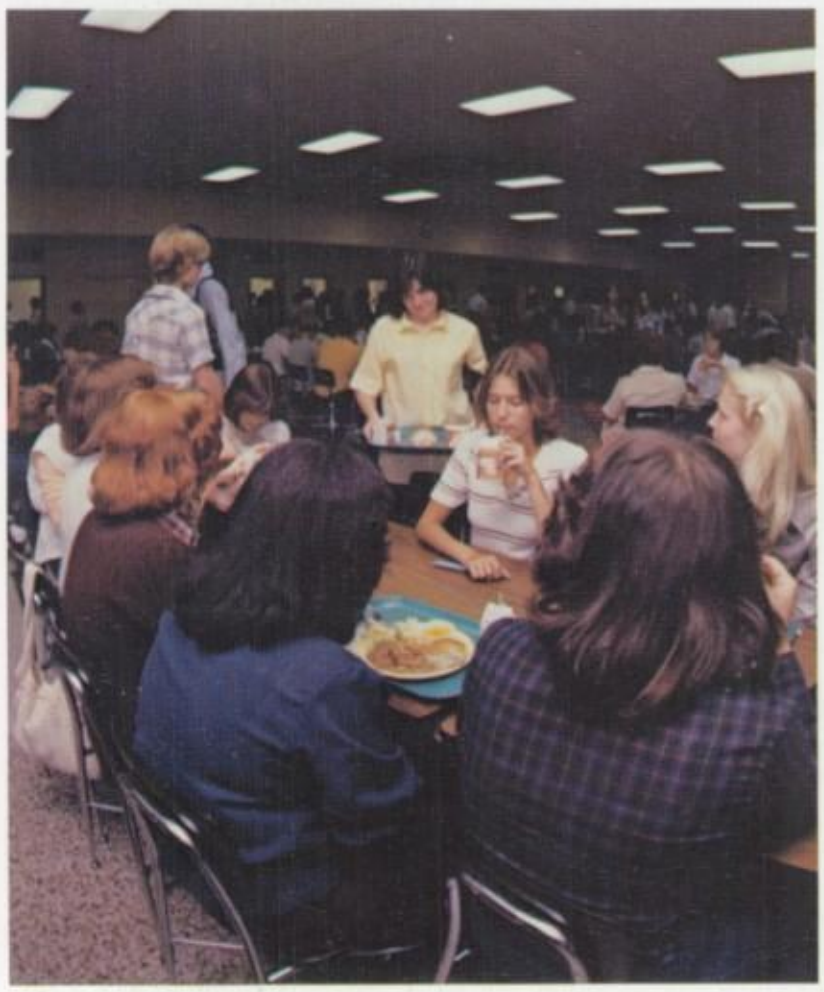
Every year held special memories for the students at Indian River. Each season was reflected in the many activities which rounded out the year. The school bells rang out in Autumn signaling us back to the routine of the classroom along with the excitement of football and Homecoming.

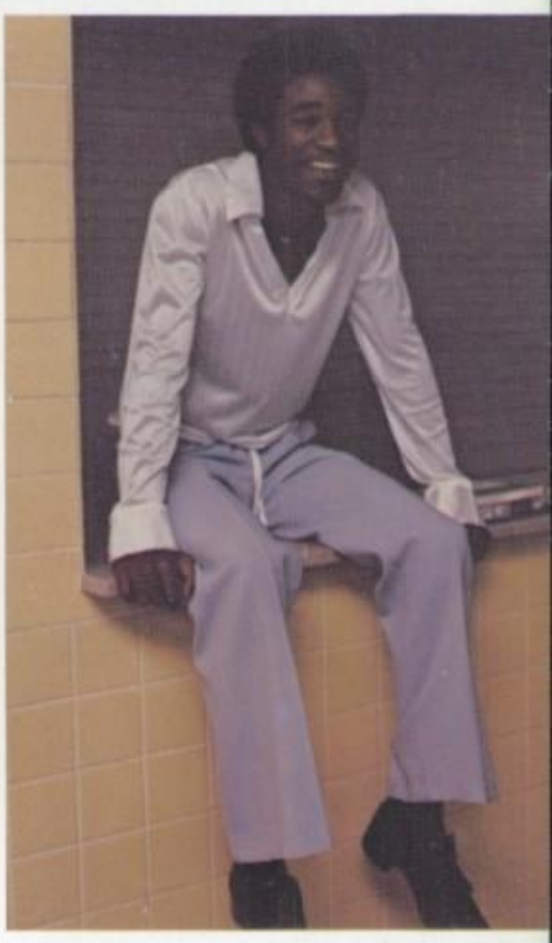
Provided Fun

And Entertainment

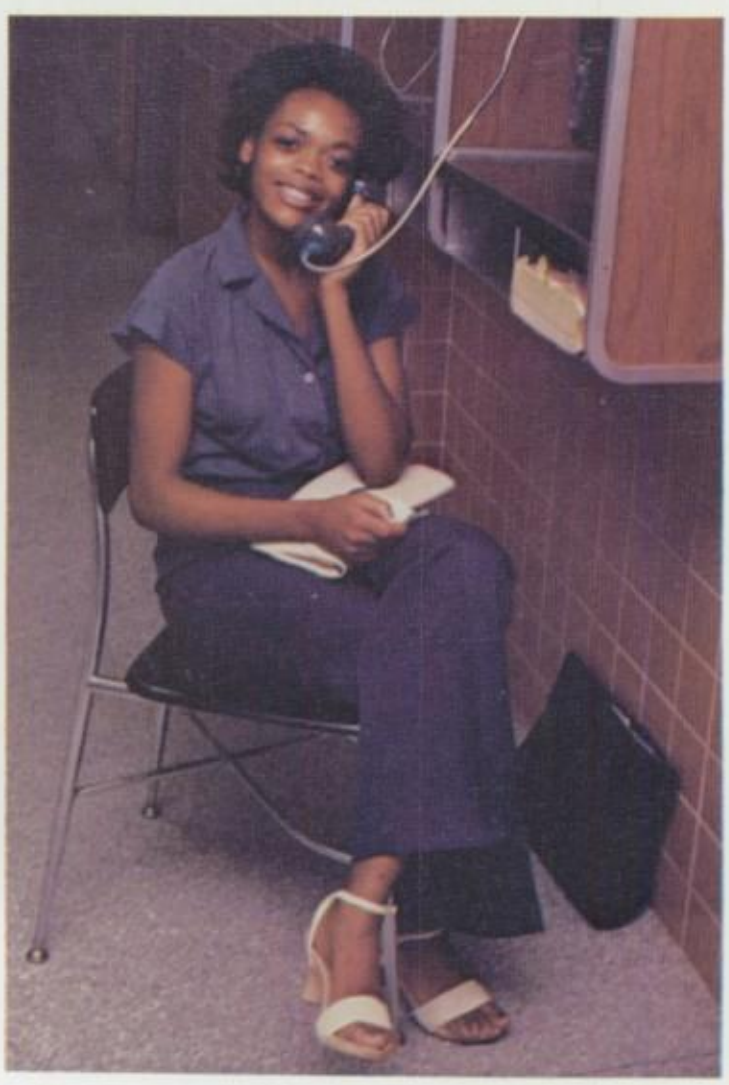
Winter strolled in bringing the excitement of basketball and the long Christmas holidays. Next, came the semester examination and the concern for passing courses. Soon, Spring danced in and the warm weather caused minds and hearts to turn to outdoor sports and our usual fine production from the Dramatics Department.







For Students



The Class of '80

This year the annual is dedicated to an outstanding coach and a fine person, Mr. John Dukes.

Mr. Dukes teaches Driver Education and is head coach for the football team, the Braves. This is the second year that he has put together a winning team. Every year at the beginning of August and every day after school, Coach Dukes puts forth much time and effort in coaching the players to develop a winning team. Because of his dedication, Indian River High School has achieved much recognition in the Tidewater area.

For all that he has done, we the Seniors of Indian River High School proudly dedicate the 1980 **Sequoyah** to Mr. John Dukes.

Start with a mountain,
  Majestic and grand;
Drape it in mist
  Like the palm of a hand

Dig me a well;
  Construct a cool fountain;
Plant me some maples
  To color my mountain.

Hours and Hours . . .

Are you ready to meet your deadline?

The Sequoyah Staff worked hard to create another number one yearbook. Under the instruction of Mrs. Vivian Duke, Mrs. Romona Claxton, and editor Steve Graham the annual staff worked diligently to make sure the yearbook pages were perfect.

With the staff's dedication to their tasks, the theme "One Season At A Time" was marvelously illustrated in the annual.

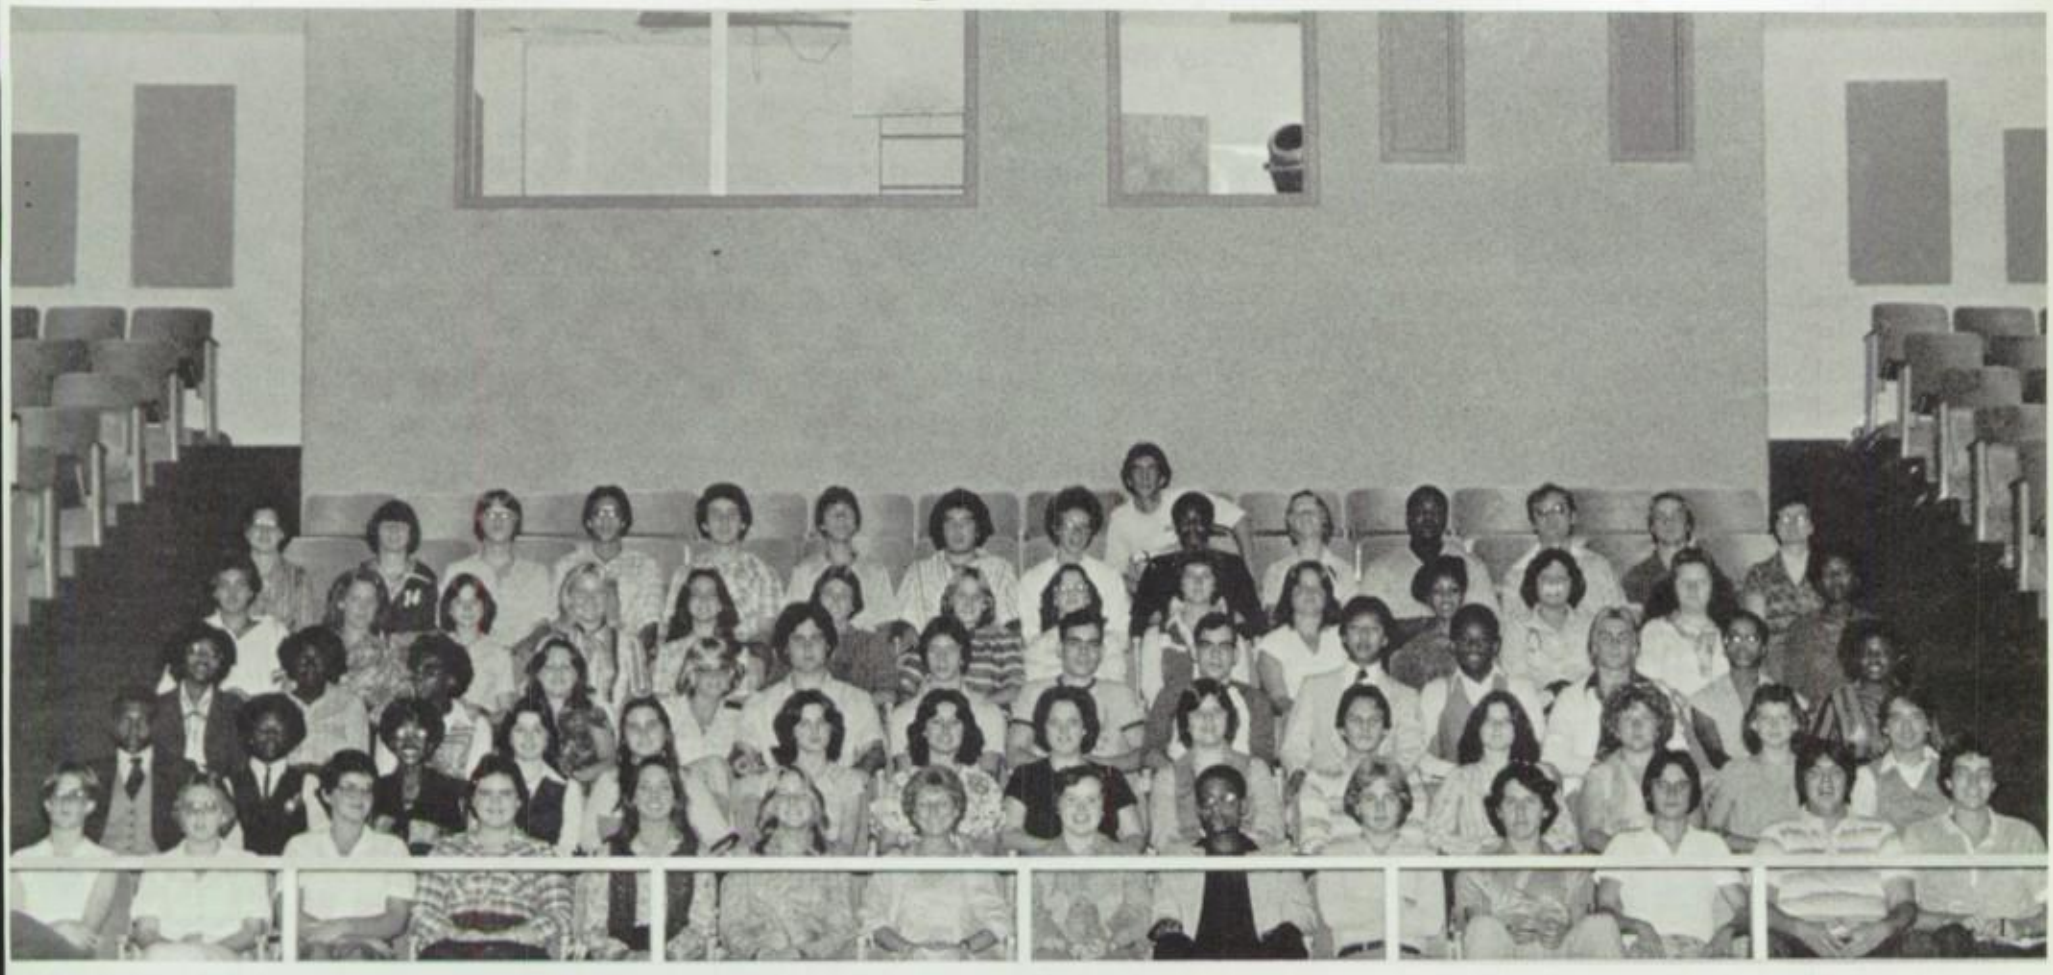
Scholarship Is Recognized



The reason for the formation of the National Honor Society was to honor those students who possess high qualities of character, leadership, scholarship, and service. It also provides a chance for these special students to meet each other. Such an honor club tries to construct projects that are fun but also are beneficial to this school and community. This year the club will visit places in the community in the hope of brightening someone's day and will strive to create a strong feeling of honor and pride for our school and fellow students.

The Chorus Has New

New happenings have come about in the chorus this year. In addition to a new chorus director, Clifford Wells, the chorus has changed their concert attire to navy blue gowns and light blue tuxedoes. Also, the chorus, along with the band, contributed to the Yule tide spirit by giving a Christmas Music assembly.

Along with their various concerts the chorus members kept active through the school year by going to festival and auditioning for Regional and All-State Chorus.

The club members were students who took part in the business and office courses offered at Indian River. During the year, many guest speakers lectured on various business-related subjects. Some members had the opportunity to participate in competitive activities which tested their ability to perform office skills.

The Future Homemakers of America's main goals were to help its members improve the community, personal and family living, as well as to develop leadership ability in the members of the club.

Alpha also helped serve the community by sponsoring a Christmas party for children and by collection for the United Way Drive. A highlight of the Alpha year was the Mother-Daughter Banquet and the Miss Indian River Pageant. The members also attended the Model General Assembly.

AFJROTC Stresses

The Air Force Junior ROTC, known as Aero-space Education, provides learning experience for students to realize the significance of aero-space achievements. It also tries to develop improved attitudes of personal integrity, discipline, and patriotism.

ROTC is a blend of science, technical courses, work, training in drill and ceremonies and the elements of leadership. Our Indian River AFJROTC students are a "service-minded" organization and are seen acting as guards during PTA Open House, directing traffic for activities, and providing color guards for football and basketball games. Annually, they have captured trophies at the All Chesapeake JROTC Field Day.

Scholarship Is Rewarded

To achieve excellence was the goal of the members of the Debate Team. These students improved their oral delivery as well as their ability to defend a point of view with strong, supporting details.

Each year the National Honor Society inducts new members who possess the high qualities of character, leadership, scholarship and service. These students join the older members in planning projects that are beneficial to the school and to the community as well.

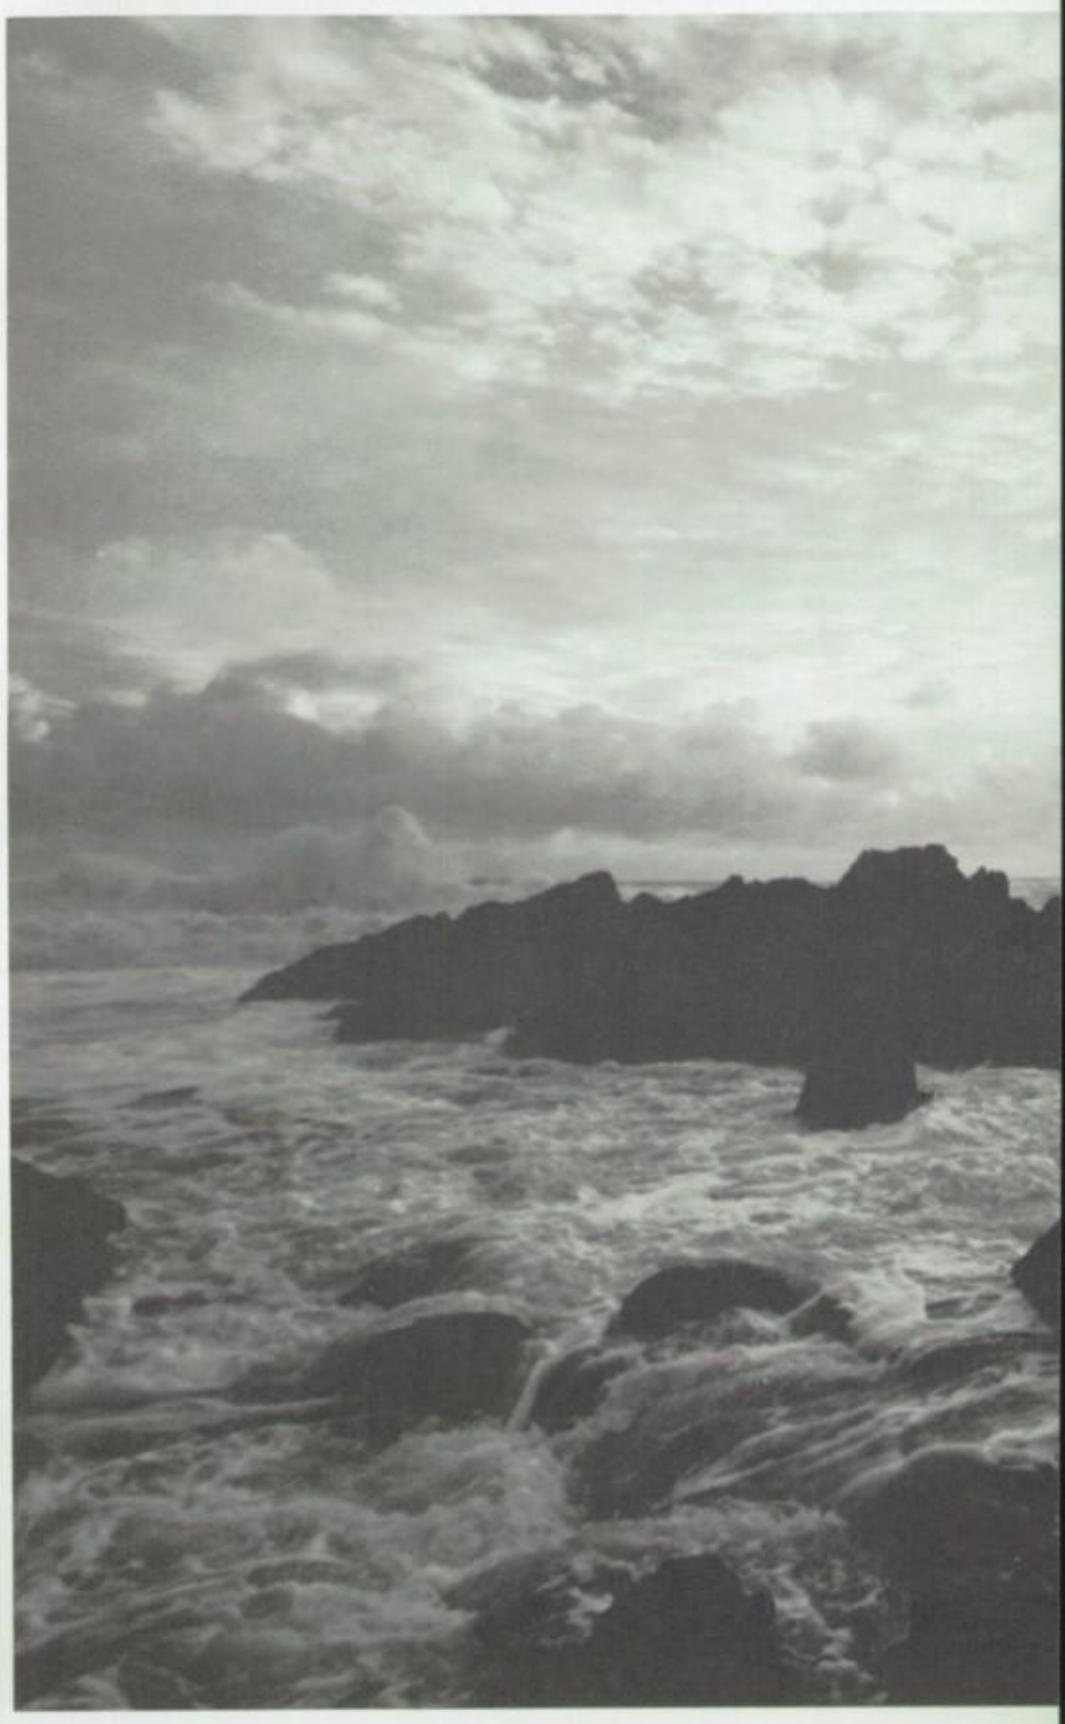
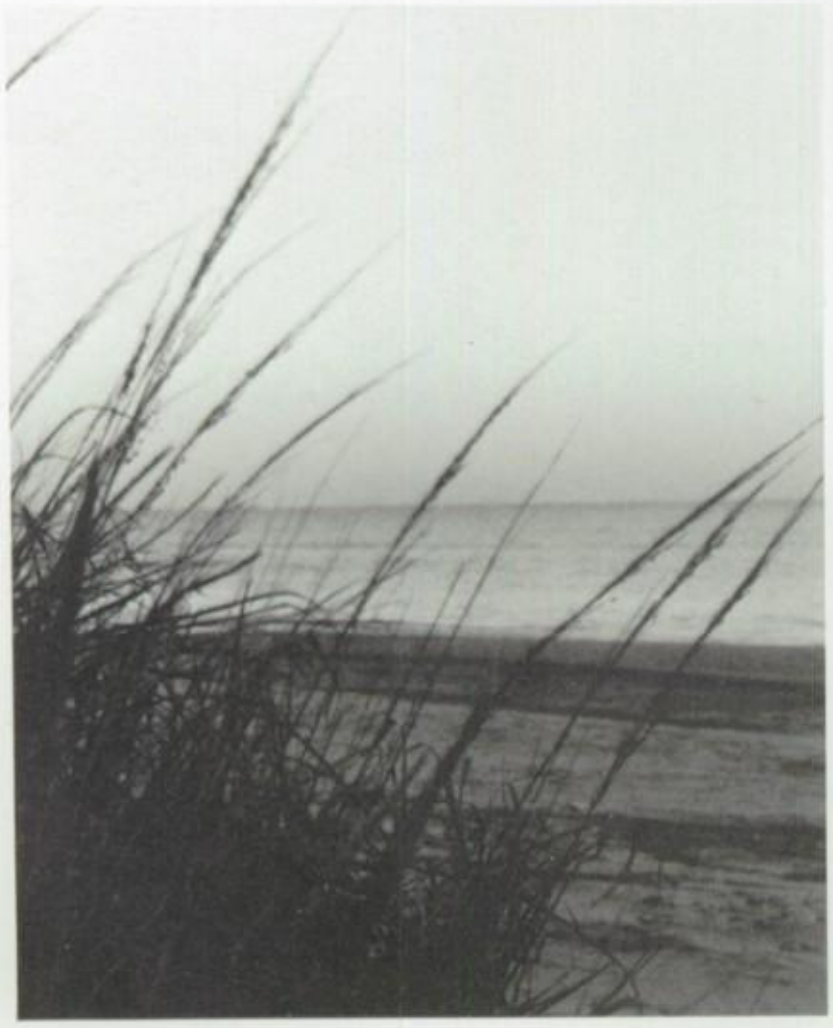
Sports





With what a glory comes and goes the year! The buds of spring, those beautiful harbingers of sunny skies and cloudless times, enjoy Life's newness, and earth's garniture spread out; And when the silver habit of the clouds comes down upon the fall sun, and with a sober gladness the old year takes up His bright inheritance of golden fruits, A pomp and pageant fill the splendid scene.

With Hard Practice and Dedication

Once again, our Braves varsity football team betters its record with a 7-1-2 season, losing only to the Wilson Presidents. The scores went as follows:

IR		Opp.
12	Norcom	0
33	Craddock	0
6	at Deep Creek	0
19	Princess Anne	10
13	at Great Bridge	13
0	Wilson	17
20	Western Branch	17
0	at Churchland	0
21	at Manor	6
27	at Oscar Smith	7

The most exciting game was against the Princess Anne Cavaliers. Ten points behind at half time, Indian River came out of the locker room to put nineteen points on the scoreboard in the second half and to win the game.

It took long, hard hours of practice and plenty of dedication to achieve this record, but it is a record of which our school is proud.

Betters Its Record For

Indian River had many outstanding ball players representing us in the city and district first and second teams. Representing us in All-Metro, second team, was Darryl Jennings, and in the category of Tidewater and All-Metro, first team, were Blake Anderson and William Fuller. These fellow Braves deserve much recognition for their outstanding contribution to our team.

The Defense excelled greatly this year placing second in the district, only allowing an average of seven points per game, while the offense scored an incredible 15 points per game.

Head coach Dukes and his staff, consisting of coaches Laumann, Gometz, and Lassiter deserve much congratulations for their vigorous coaching of the team.

V-I-C-T-O-R-Y The Cheerleaders

Where can you find fifteen of the most spirited girls in school? In Varsity Cheerleading uniforms, thats where. The Varsity Cheerleaders have done it again; they've cheered our football team to a third consecutive record breaking season.

The Cheerleaders don't limit their support to just football, they also support the other sports along with the coaches. They kept up the school spirit by having weekly pep rallies.

Being a Varsity Cheerleader is a lot of hard work. They must abide by a strict set of rules to stay on the squad and at the same time maintain a "C" average.

Junior Varsity Football Wins

The junior varsity football team won twelve straight games. Having lost the two opening games last school year, they went on to win the rest, and this year they took all the games (7), to acquire their best record.

The defense only allowed a total of 4 touchdowns, while another touchdown was scored on an interception.

Only three teams scored against the Baby Braves: Western Branch, Churchland, and Wilson. Due to much practice, starting in early September, the team well deserves their record, and should get a big hand from the student body.

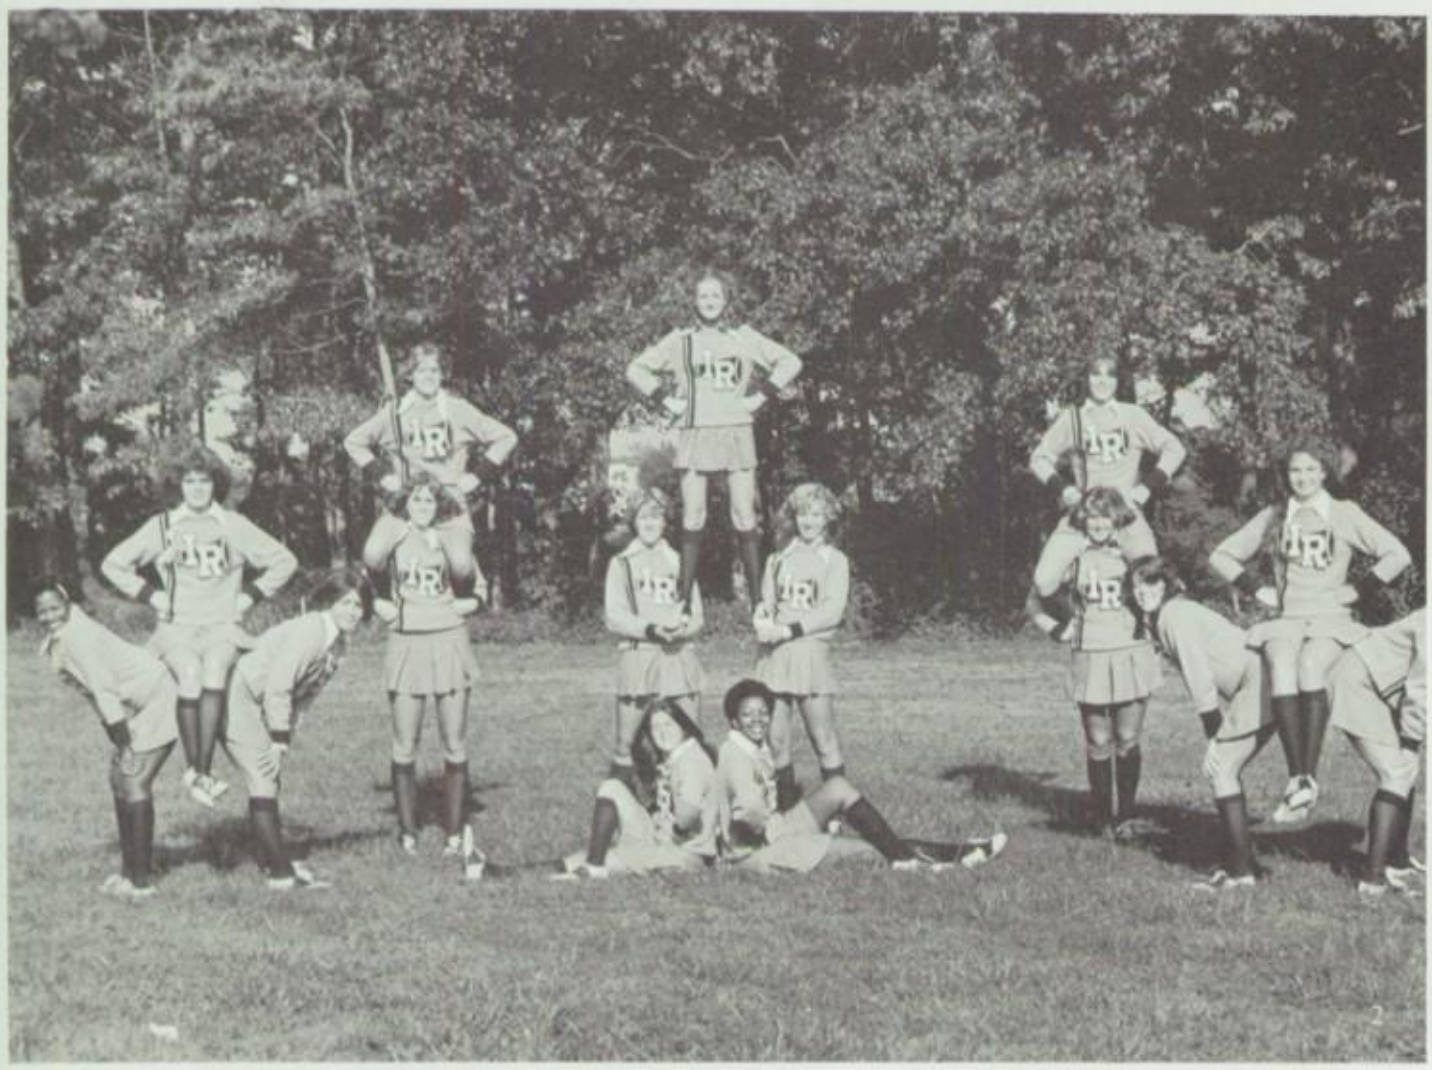
J.V. CHEERLEADERS



The 1979 and 1980 Junior Varsity Cheerleading squad was a very spirited group of girls. They have worked hard through the year at the Junior Varsity pep rallies and at the Varsity home games. They've led the Junior Varsity football team to an undefeated season. They also attended the National Cheerleading Association Camp during the summer. They showed good team spirit through the year and we are lucky to have them.

A Forward Look

This year the Cross Country team will put this season's record, 1-4, behind them and look forward to next year. With five returning lettermen and a lot of dedicated practice during the winter, spring, and summer, the Cross Country team will have an excellent chance to be City District winners once again.

The team came in fifth in the city meet, out of five schools; and fifth in the district meet out of ten schools. The returning lettermen will be: Doug White, Sterlin Shaw, Jack Delaney, Willie Newman, Peter Michaud. The graduating lettermen will be David Jackson and Jonathan Williams.

The Indian River Basketball

The number one spot in the regular season and the Southeastern District Basketball Tournament belonged to the Indian River Braves. The squad was 15-3 in the District regular season, losing only to Manor, Deep Creek, and Churchland; and were 15-5 over-all, losing to out-of-District Maury twice. The team was Number One in offense, averaging 83 points per game. Grady Brown led the Braves in points (19.5 points per game), and in rebounds. Pat Creecy led in assists.

In the Southeastern District Tournament the Indian River Braves broke two team records and one individual record. They tied the record for the most points in a tournament, scoring 103 points againsts Craddock's 69 points. They also broke the record for the most foul shots made as a team. Pat Creecy capitalized on most of the shots, breaking the individual record of most foul shots.

The Eastern Regional games would decide which teams were going to the State Tournament. The Braves came off with a good start, beating Princess Anne in the first game, but the team lost the very next game against Booker T. Washington High School in over time. The Braves were the predicted under dogs in that game but it didn't show. They only lost by four points.

The Indian River Braves Basketball Team deserves a big hand and a pat on the back for a job well done. A lot of credit should also go out to Coach Lassiter for his superb coaching and very, well-organized practice sessions.

The Lady Braves

The Southeastern District was thoroughly dominated by the Lady Braves. Not only did they win the regular season title, they also won the District Tournament.

Lady Brave stand-out, Annette Hill was the most valuable player in the tournament. She also set a record. She became the first Junior in the Southeastern District to score 1000 points.

The Lady Braves finished the season with a fine 17-3 win-lose record. Their only losses came at the hands of Maury and Wilson; the third was a forfeit to Cradock.

In the Southeastern District

The Lady Braves were loaded with talent this year. Annette Hill and Nita Barnes were both selected to the All-Chesapeake First Team and Jackie Tyndall and Myra Lamb were selected to the Second.

The Lady Braves are a young team and most of them will be back next year. We are sure the team next year will have an equally productive season.

As Did the Boys Tennis Team

The boys tennis team continued their domination of the Southeastern District. They won their third consecutive district title and extended their winning streak to 33 district matches.

The Braves are looking forward to this season. With six returning lettermen, the Braves could easily keep their winning streak alive.

Volleyball and Tennis

With this season behind them, the Varsity Girls Volleyball Team will be looking forward to next year. The lady Braves actually played much better than their 1 win and 7 loss record. They lost several matches that went into overtime.

Under the fine coaching of Coach Tate all of the players earned a letter. All of the team will be returning next year except for three players. These seniors are Myra Lamb, Kathy Moyler, and Zenobia Prattis. Selected by her teammates as most valuable player was Monica Hood.

The J.V. Volleyball team played their first season this year. Their record was 2 wins and 4 losses.

Build For The Future

The girls tennis team did not have much of a suprising year only winning one game, but even that is fairly good, considering that two-thirds of the team were new members. Jackie Tyndall was seated second in the District, barely losing the match that kept her from going to the Regionals.

The graduating lettermen are Terry Fulghum, Carleen Goins, Julie Swinehart, Karen Pierce, and Kim Morning. The returning lettermen are Renee Kifus, Annette Hill, Jackie Tyndall, and Karen Corbett.

Good Year Despite Lack of Practice

Only one J.V. Basketball member returned to the team from last year's team. Other than Kerry Jiles, the whole team was young as was the coach, Freddie Spellman, since it was his first year of coaching. This ought to be noted because their record was 9-3. They were placed at fourth in the District. The team also did well considering the limited practice they could get in. The high school and junior high courts were used by other teams.

Eric Reeves led in points, averaging 14 points a game, and in rebounds. He also led in foul shots, making 64% of his shots. Kerry Giles averaged 12 points a game, and led in assists. Arthur Sanders averaged 11 points a game, and Dwayne Ireland with 10 points per game was the best defensive guard.

Wrestlers Participate In The

Regionals was the big word in wrestling this year. Indian River had eight members of the wrestling team representing us in the regionals because of their placings in the district. This is the most success in the Braves' wrestling history. Each of the wrestlers had to finish fourth or better in the district to advance to the regionals. Mike Fuesser, 119 pounds, and Roger Crook, 167 pounds, were first in the district. Darryl Jennings, unl., and Robbie Matkins 133 pounds finished second; Kenny Harris, 112 pounds, Scott Rowe, 126 pounds, and Kip Davis, 145 pounds, finished third, and Ron Hutton, 138 pounds, finished fourth.

To advance to the State Tournament from the Regionals, wrestlers had to finish fourth or better. Roger Crook, Mike Fuesser, and Robbie Matkins finished second, third, and fourth, consecutively in the regionals. Not making it to the State, but finishing fifth was Darryl Jennings.

In the State Tournament, Mike Fuesser finished fourth; Robbie Matkins finished sixth; while Roger Crook was eliminated. These three Braves had done a fantastic job advancing as far as they did.

Small Gymnastics Team

With only five girls, our Gymnastics Team had to beat much larger teams on its way to a second place finish in the Southeastern District. On top of that, the Lady Braves sent both Cindy Evans and Beth Ann Denny to the regional competition.

For the Gymnastics Team, practice was long and hard. It started in the fall and was held five days a week. The girls competed in the floor exercise, the vault, the balance beam and the uneven bars. Their hard work and dedication paid off.

Golf Team Stuns District

The small but talented Indian River Golf Team stunned the District last year. Predicted to finish ninth out of ten teams, the Braves linksmen finished in sole possession of third place. They went on the finish fourth in the district tournament, just barely missing a trip to the regionals.

The golfers had the best season in the school's history. They compiled a 6-3 win-loss record and broke almost all of the previous golf records.

With the whole team, all lettermen, returning next year, Coach Gary Everton is very optimistic. As the weather turns warmer, the golfers start swinging.

Sports, Sports, Sports

The students of Indian River saw many victories and very few losses this year. We held our heads high with the wins and showed good sportsmanship when we lost. This is one year that will go down in Brave history as the "Splendid Year of Sports" and our athletes did it "One Season At A Time."

Two important groups of people at I.R. were the custodial staff and the cafeteria staff. The custodial staff members were the first and the last people to see the inside of I.R. on a school day. Two shifts, ranging from 7 A.M. to midnight kept the custodial staff busy many hours. In spite of their workload, they still found time to give special assistance when it was needed.

The cafeterial staff also started its day even before the first busload of students arrived. This early start resulted in a variety of balanced lunches for two lunch periods filled with hungry braves.

As the final deadline of the Sequoyah was mailed in March, a wave of relief was felt by the entire staff. Each individual had devoted time and energy to produce a first-rate annual. Every day one could find some member of the staff working diligently during the sixth period, before school, after school, or on weekends. Our guiding light during the seven months of work was Mrs. Vivian Duke, our sponsor. Not only did she sacrifice her time and effort, but she taught us the techniques necessary to publish a school annual. And her calmness during the last minute emergencies helped us to meet our deadlines without becoming frustrated. For her efforts in managing the business of financing, we are grateful to Mrs. Ramona Claxton. She did an excellent job in securing advertisements, holding pre-sales and issuing the book.

McIntosh Studios proved to be extremely helpful in photographing our students and getting our pictures to us as promptly as possible. Our photographer, Mr. Elliott Torn, was always available when we needed him. Our most helpful assistant was Mrs. Evie Owens at the McIntosh lab. It was she who set up our photography schedules, checked senior portraits, and rushed our pictures to us so that we would meet our deadlines. A special thanks goes to everyone at McIntosh who assisted us. We are also grateful to Mr. John Perry, our yearbook representative. He was always available to us whenever we needed him.

We cannot forget our own faculty, without whose help this book could never have been published. It was the teachers and administrators who allowed the staff to get out of class to help the photographers or to work on layouts. It was they who allowed the staff to use the building evenings and weekends and permitted us to disrupt their classes to remove their students for pictures to be taken. We are most appreciative also of our School Board for providing us with our fine school building and its facilities. It is with deep appreciation that the staff thanks every person who contributed to the production of the 1980 Sequoyah.

A Night To Remember

One of the highlights of every year is the Junior-Senior Prom, sponsored by the Junior Class. As always, our last prom was an affair to remember with its Parisian motif.

The students of Indian River once again donned their formal attire and stepped out in elegance. They showed their appreciation for the affair by demonstrating the behavior of ladies and gentlemen.
